Validity

These General Terms of Sale and Delivery shall supersede and suspend all previous agreements and shall apply to any agreement made between HANDVÄRK and the buyer unless otherwise agreed.

Sales and Marketing Material

Information supplied by HANDVÄRK regarding prices, models, dimensions, features, and specifications in catalogues, advertisements, sales or promotional literature, price lists or elsewhere is not legally binding and shall be considered for guidance only and may be changed at any time without prior notice.

Prices

The present price list replaces all previous price lists and may be subject to changes at any time without prior notice. The purchase price for the products ordered by the buyer is stated in the order confirmation. Delivery and installation is not included in the purchase price. Unless otherwise agreed, quotations submitted by HANDVÄRK shall be valid and binding for 30 days after receipt.

Orders

All orders placed by the buyer must be in writing and shall at the minimum specify the type (product number and/or name) and quantity of the products. The order is not valid until HANDVÄRK has issued a written order confirmation to the buyer. Unless objections are made within 72 hours after receipt, the order confirmation is considered accepted by the buyer. Orders cancelled later than 10 days after acceptance of order confirmation are subject to a 30% cancellation fee. Made-to-order products cannot be cancelled or returned.

Delivery

Unless otherwise agreed in writing, delivery shall be ex. works (Incoterms 2010) from HANDVÄRK's warehouse.

HANDVÄRK WAREHOUSE
Egeskovvej, Port 52
8700 Horsens
Denmark

If transportation of the products is handled by HANDVÄRK's forwarding agent on behalf of the buyer, HANDVÄRK will invoice the freight to the buyer. The products shall be sent using standard packaging. Confirmed delivery date is only an estimated delivery date and the time of delivery shall not be considered of essence. HANDVÄRK cannot be held liable for any damage or loss that the buyer may suffer as a result of a delay or a non-delivery. If no specific delivery date has been indicated in the order confirmation, HANDVÄRK, acting reasonably, is entitled to stipulate a delivery date taking into consideration the quantity and the nature of the products to be delivered.

Payment

Unless otherwise agreed, payment shall be made in accordance with the payment terms and conditions indicated on the invoice and order confirmation. All bank charges are the responsibility of the buyer. All products not paid for in the full, including interest and delivery (if any), shall remain the property of HANDVÄRK. The buyer shall at all times keep such products separated from any other products held in stock and must ensure that the products can at all times be identified by HANDVÄRK. The buyer shall be liable to HANDVÄRK for any damage to the products until they have been paid for in full as stated above. There will be a penalty interest of 2% per month when payment is made after the due date. Such interest is payable without any further notice. Prepayment of proforma invoice/order confirmation is required for buyers without credit. The buyer must state the account number as well as the proforma invoice/order confirmation number on the payment.

Product Liability

Mandatory product liability rules in force from time to time shall apply to disputes regarding product liability. Unless otherwise required by mandatory legislation, HANDVÄRK shall not be liable to the buyer for any damage or loss caused by the products, including but not limited to liability for loss of production, loss of use, loss of contracts, loss of profit or for any other consequential or indirect loss whatsoever.

Changes in Design

Prior to delivery and without prior notice HANDVÄRK reserves the right to make any changes to a product's design that is found by HANDVÄRK to be necessary or appropriate.

Other

The buyer is not allowed to sell the products to re-sellers without written approval by HANDVÄRK.

Warranty and Limitation of Liability

HANDVÄRK offers a warranty against defects of manufacture and materials on standard products. The warranty shall be valid for two years from the date of delivery, provided that the products are used under normal circumstances and maintained according to guidelines. Excluded from this warranty are all defects due to or caused by transport, incorrect use, inadequate maintenance, accidents, the buyer's alteration or repair as well as normal wear and tear of the products. Natural variations in organic materials are not considered to be defects. HANDVÄRK is explicitly excluded from all liability for any damage or loss that such defects or variations may cause, either directly or indirectly. The warranty on upholstery requires that upholstery fabric and leather is included in the price list and is recommended by HANDVÄRK. If the buyer purchases, supplies and/or dyes his or her own fabric and leather, HANDVÄRK's warranty shall lapse.

Unless otherwise stated in these General Terms of Sale and Delivery, HANDVÄRK is not liable to the buyer for loss of production, loss of use, loss of contracts, loss of profit or for any other consequential or indirect loss whatsoever.

Notwithstanding any other provisions of these General Terms of Sale and Delivery, HANDVÄRK's maximum liability in relation to the buyer can in no circumstance exceed the purchase price for the products sold, including any liability for damages to a third party, such as, for example but not limited to, product liability.

Remedies

With respect to products that are defective, HANDVÄRK may choose to refund the purchase price for such products, repair such products or replace such products, always provided that it is a condition for such refund, repair or replacement that the buyer has notified HANDVÄRK about the defect within reasonable time after the buyer discovered or ought to have discovered it, and provided that such notice is given within the warranty period in accordance with the instructions in the below paragraph "Filing Complaints". The above remedies constitute the buyer's only remedies in respect of any defective products delivered under these General Terms of Sale and Delivery (except title).

Complaints and Transport Damages

The buyer is always obliged to inspect the products delivered upon receipt. The inspection shall include:

- a) Checking that the correct type of products have been delivered
- b) Checking that the correct quantity of the products has been delivered
- c) Checking that the products are of an acceptable quality

The buyer is deemed to have accepted the correct order as delivered unless a claim has been filed with HANDVÄRK within 48 hours upon receipt.

In case the delivery is visibly damaged, the buyer shall:

- 1) Perform product inspection immediately upon arrival
- 2) Note the freight documents with "Received with reservation"
- 3) Report the extent of the damages including photo documentation to HANDVÄRK within 48 hours upon receipt

The buyer is deemed to have accepted the products as 'delivered in good condition' unless a claim has been filed with HANDVÄRK within 48 hours upon receipt.

Return of the Products

Returns are only accepted by prior written agreement. Return products shall be securely and properly packaged in the original packaging. Unless otherwise agreed, the buyer shall bear the transport cost and risk of any defective products returned. Returns shall be delivered to: HANDVÄRK's warehouse, see "DELIVERY". Return shipment shall be clearly marked "HANDVÄRK RETURN + order number".

Applicable Law and Venue

The parties' contractual relationship under these General Terms of Sale and Delivery shall be governed and construed by and shall be interpreted in accordance with Danish law. Any dispute that may arise out of the parties' contractual relationship under these General Terms of Sale and Delivery or any related event, which cannot be settled amicably, shall at HANDVÄRK's request be brought before the Copenhagen City Court.

Amendments

HANDVÄRK is entitled to modify these General Terms of Sale and Delivery at any time. HANDVÄRK shall notify the buyer of such modifications and of the date of such modification. The buyer is deemed to have accepted the modifications unless written notice of rejection is given to HANDVÄRK within 10 working days after receipt of such notice.
